ARITRA SAHA

Kolkata, West Bengal, India
aritrasaha0508g@gmail.com | aritra.is-a.dev | LinkedIn | GitHub

Professional Summary

Computer Science student specializing in Cyber Security at Techno Main Salt Lake (3rd Year), with hands-on experience across software development, AI, system architecture, and deployment. Adaptable and curious, with a strong ability to learn across domains, build end-to-end solutions, and translate ideas into practical, scalable systems, with a keen interest in secure architecture and problem-solving.

Education

Techno Main Salt Lake — Kolkata, IN
B.Tech in Computer Science (Specialization: Cyber Security) — **July 2024 – July 2028**

- 1st Sem SGPA: 8.0
- 2nd Sem SGPA: 8.63
- 3rd Sem SGPA: 8.23
- 4th Sem SGPA: 8.32

South Point High School — Kolkata, IN
Higher Secondary – Science (PCM-CS) — **Apr 2022 – Mar 2024**

- Grade: 93.6%

South Point High School — Kolkata, IN
Secondary Education — **Apr 2012 – Mar 2022**

- Grade: 97.2%

Projects

TraffIQ (Multi-Camera ANPR Traffic Analytics) | GitHub

- AI-based traffic intelligence system for vehicle detection, tracking, speed estimation, license-plate recognition, image super-resolution, OCR, and geospatial analytics
- Built with YOLO26, LPSR, Real-ESRGAN, TrOCR, WebSockets, and PostGIS.

Cognify (AI Gamified EdTech Platform) | GitHub | Live Demo

- Built an AI-powered adaptive learning platform with personalized reinforcement, summaries, and weak-point detection.
- Added educator analytics, student tracking, content management, and blockchain certificates.

Achievements & Certifications

- **Innov-A-Thon (Safalya 2025):** Winner – 1st Position (Gold Medal recipient).
- **GDG TechSprint 2025:** Winner – 2nd Position (Awarded for Exceptional Technical Complexity).
- **Smart India Hackathon 2025 and 2026 (SIH 2025 and 2026):** Only team from the dept. to clear 1st internal round in 2026
- **Educ-A-Thon 2024:** Participated and Certified.
- **CISCO Networking:** Professional Certification.
- **CISCO Introduction to Cyber Security:** Professional Certification.

Skills

- **Languages:** English (Fluent, Bilingual), Bengali (Native), Hindi (Working Proficiency, Bilingual), Mandarin (Elementary).
- **Programming Languages:** Java, Python, C, C++, Go, JavaScript.
- **Frameworks & Web Technologies:** Flutter, React.js, Expo, Express.js, Node.js, REST APIs.
- **Database, Cloud, AI Models & Tools:** MongoDB, Firebase, Vercel, OnRender, Git, Gemini API, YOLO, OpenCV.
- **Research & Soft Skills:** Literature Review, Technical Writing, Teamwork Leadership
